Duarte High School
Early College Program
4 year cohort
Early College is a dual enrollment educational program at Duarte High School in collaboration with Citrus College.

Dual credit is given for Citrus College courses that meet both college credit and high school graduation requirements.

Classes meet during periods 0 and 1 (7:30-9:25) Monday-Thursday on Duarte High School’s campus. Additional courses are offered after school for those interested in an Associate in Science Degree for Transfer.
Benefits

- Early College students graduate from Duarte High School with 48 transferable college semester units completing lower division general education requirements (IGETC)
- Access to an instructional Learning Community
- Access to high-demand college courses
- Access to college instructors
- No cost to the student (Textbooks, Tuition)
- Future savings of thousands of dollars
- Eligibility to enroll in college with a Junior standing
- More attractive to competitive schools
Students are committing to register and complete all ECP courses outlined in the 4 year plan.

Students are committing to attend summer school after their sophomore year.

Students are responsible to drop a course that they are in danger of failing within the allowed time frame. Failure to do so will result in a non-passing grade on both high school and college transcripts.

Students must turn in an unofficial transcripts from Citrus upon completion of each course. If the student fails to do so, a letter grade “F” will appear until corrected by student.

Students must maintain satisfactory academic standing. A student who receives a “D” or “F” grade on any DHS or Citrus Early College course will be dropped from the program.
